

REMARKS

The Notice of Allowance incorrectly indicates the title of the invention. In this amendment, the Applicant proposes to amend the title so that it will appear correctly on the issued patent.

The proposed amendment requires no substantial amount of additional work on the part of the Patent and Trademark Office, so entry thereof is proper under MPEP 714.16. The amendment is directed solely to correcting an error on the part of the Patent and Trademark Office and is unrelated to issues of patentability.

Favorable consideration is respectfully requested.

Respectfully submitted,
